 OVERVIEW

SUGGESTED RETAIL PRICE **£1399**

Perfect Learner or Commuter Companion

The Pulsar 125 offers great looks combined with a practical, trustworthy and cost efficient mode of transport at a great price for learners and seasoned commuters. A practical, trustworthy and cost efficient mode of transport at a great price for learners and seasoned commuters, this bike appears to be a far bigger capacity machine than it is.

This is an easy motorcycle to ride, the Pulsar 125 has plenty of commuter-friendly features such as an illuminated gear display and electric start, a generous fuel tank capacity of 16 litres, a light net weight of just 117kg for great manoeuvrability and a relatively low seating position ensuring the rider can easily put their foot on the ground.

Fuel-efficient and Environmentally Friendly

The Pulsar 125 is powered by the latest generation of 4 stroke air-cooled engines, which ultimately makes it highly fuel-efficient scooter, capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions.

Designed for Town and Country Riding

The Pulsar 125 is no slouch and can achieve a top speed of 65mph with maximum torque of 9.2Nm at 7000rpm, giving it ample acceleration & power for town and country riding.

The Pulsar also comes equipped with a host of standard features that include a gear selection indicator, rev counter, lockable fuel cap, side and centre stand, electric and kick start, odometer, tool kit and 5-spoke alloy wheels.

2 -Year Warranty PLUS Fantastic Insurance Offer

The Pulsar 125 comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
