OVERVIEW

SUGGESTED RETAIL PRICE **£1549**

A True Winner

With its flashy sports motorbike stylings, deep shiny paintwork and good looking graphics, the Super 8 50 2-stroke looks as if it's punching well above its 50cc weight. The Super 8 is both light and very agile, which makes it great fun to ride and with a top speed of 30 plus mph it is more than capable of swiftly manoeuvring around a congested town or city.

The Super 8 50 2-stroke triumphed on Channel 5's The Gadget Show 'Top 5 Scooter' feature in November 2009. The Scooter not only made Suzi Perry's Top 5, but came Third, beating off stiff competition from the Peugeot Speedfight 3 and Piaggio NRG. The TV show's presenter Suzi Perry, also a keen motorcyclist, tested and reviewed more than forty 50cc scooters for the feature.

Commenting on the KYMCO Super 8 50, Suzi said: "Unlike some other 2-strokes this is quite smooth. This is a bike you feel like you can just throw around ... keep the revs on ...ohh it's really lovely to ride."

Fuel-efficient and Environmentally Friendly

The Super 8 is a highly fuel-efficient scooter, capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions.

Perfect Learner and Commuter Companion

More than capable of swiftly moving around a congested town or city, the Super 8 50 boasts 14" six-spoke alloy wheels and a racy streamlined long wheel base body, to further enhance stability, comfort and safety.

The low seating position at 785mm in height ensures the rider can easily place their feet on the ground making it ideal for both male and female riders. Pillions are well catered for, with pop-out alloy foot pegs and a grab rail, so you can share your journey with a friend if the mood takes you.

Other features include: powerful front disc and rear drum brakes, electric and kick-start, automatic choke, lockable under seat storage box for helmet, shopping or waterproofs, steering lock, rear carrier, centre and side stands.

2-Year Warranty PLUS Fantastic Insurance Offer

The Super 8 50 2 Stroke comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
