Sporty Looks and High Performance at an Affordable Price

The Agility RS 125 boasts a top speed of 65mph. Agile and quick with a bold sporty design, this high performance scooter has massive street appeal and road presence at an unbeatable price, offering riders fantastic value for money.

The Agility RS 50 is quick off the mark and with a net weight of just 107kg it is light, agile and therefore ultra easy to handle and park. Edgy graphic panels, sleek lines, a sports instrumentation panel, 12 spoke alloy wheels and striking yellow/black paintwork all combine to reinforce the impressive sports styling.

Fuel-efficient and Environmentally Friendly

This superb high performance scooter is powered by the latest generation of 4 stroke air-cooled engines, which ultimately makes it greener and more fuel-efficient. Capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions, it is extremely efficient to run.

Light, Agile and Ultra Easy to Handle

More than capable of swiftly moving around a congested town or city, it boasts a racy streamlined long wheel base body, to further enhance stability, comfort and safety. The

low seating position at 800mm in height ensures the rider can easily place their feet on the ground making it ideal for both male and female riders. Pillions are well catered for, with pop-out alloy foot pegs and a grab rail, so you can share your journey with a friend if the mood takes you.

Other features include: electric and kick-start, automatic choke, lockable under seat storage box for helmet, shopping or waterproofs, steering lock, rear carrier, centre and side stands.

2 -Year Warranty PLUS Fantastic Insurance Offer

The Agility RS 125 comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
