 OVERVIEW

SUGGESTED RETAIL PRICE **£3999**

Brand New Sports-Tourer Scooter

Already a bit hit in Europe, notably France & Italy, the Downtown 300i has been engineered and aesthetically designed to deliver maximum technological performance and comfort.

At the heart of the machine is KYMCO's new liquid cooled four-stroke, single cylinder, fuel injection engine, which has served to significantly enhance the machine's performance, and give the Scooter a genuine 300cc capacity (at 299cc) that can achieve a top speed of 85mph with a powerful 29.5bhp@8000rpm. These impressive statistics will rival all other scooters in the same class, and are why it's already proved to be a top seller in mainland Europe

Sporty, Stylish and Practical for City and Leisure Riders

The Downtown 300i has a high quality sports exterior for that is both stylish and practical. The modern styling is the work of Italian designer Massimo Zaniboni, and every detail from the 'eagle-eyed' twin headlights, to the elegant instrument panel, the 12v phone / battery charger, the design of the air inlets on the body and the large under seat storage that can easily hold two full-face helmets, has been carefully considered to ensure that it can satisfy the needs

of both city and leisure riders worldwide.

Designed for Comfort, Safety and Security Ride

The Downtown 300i benefits from additional technical enhancements, including a new transmission and ignition system with a high performance chassis, which KYMCO has designed to increase tension and provide a safer ride, a twin balance shaft that reduces engine vibration and improves rider comfort, and a redesigned CVT transmission system to enhance shift efficiency. For added security and stability, the robust chassis also features generously sized wheels (14-inch at the front and 13-inch at the rear) – there is even a tyre pressure warning gauge on the instrument panel.

2 –Year Warranty PLUS Fantastic Insurance Offer

The Downtown 300i comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
