 OVERVIEW

SUGGESTED RETAIL PRICE **£1449**

Best Value 125cc Scooter

As the name suggests the Agility 125 is both light and very agile, which makes it great fun to ride. This is no slouch either, with a top speed of 65 plus mph it is more than capable of swiftly manoeuvring around a congested town or city. Light Weight and Nimble, the 125cc Agility 125 scooter has plenty to offer if you are looking for a well made, fuel efficient scooter at an affordable price.

To further enhance stability, comfort and safety this scooter has a streamlined long wheel base body, plus it has a light-net weight of just 105kg making it easy to maneuver and park. Sporty looks, angular lines and ultra-modern matt and gloss paintwork in silver and black combined with 12" painted alloy wheels give this scooter a modern feel.

Fuel-efficient and Environmentally Friendly

The Agility 125 is powered by the latest generation of 4 stroke air-cooled engines, which ultimately makes it highly fuel-efficient scooter, capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions.

Great For the City and a Comfortable Ride

The Agility 125 has a conveniently low seating position at 785mm in height ensuring the rider can easily place their feet on the ground and making it ideal for both male and female riders. Pillions are well catered for, with pop-out alloy foot pegs and a grab rail, so you can share your journey with a friend if the mood takes you. No pillion? The pillion seat converts into a backrest for an ultra comfortable ride.

Other features include: powerful front disc and rear drum brakes, electric and kick-start, automatic choke, lockable under seat storage box for helmet, shopping or waterproofs, steering lock, rear carrier, centre and side stands

2 –Year Warranty PLUS Fantastic Insurance Offer

The Agility 125 comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
