COLOUR

**OVERVIEW**

SUGGESTED RETAIL PRICE **£1549**

**Retro chic scooter at an unbeatable price.**

These high quality retro style mopeds offer the latest 21st technology at an affordable price. Cleverly styled by Italian designer Massimo Zaniboni, who took his inspiration from classic scooters of the 1950s and '60s.

With a top speed of 30 mph, coupled with a long wheelbase and 12-inch alloy wheels for added stability, the LIKE 50 is perfect for the city commute and day or weekend trips. Its price of £1,549 may be something you'll like, too.

**Fuel-efficient and Environmentally Friendly**

Featuring an automatic transmission (so simply twist and go), the LIKE is a modern day scooter powered by the latest low emission 4-stroke air-cooled engine, making it greener, more fuel-efficient and capable of achieving in excess of 100 miles per gallon.

**Pretty and Ultra Practical**

This scooter is definitely a looker due to the finish, build quality and retro details including chrome mirrors, pearlescent paintwork, wide body panels and a chrome surround halogen headlamp on the handlebars. It is also a practical tool, with a large lockable glovebox up front (with a 12-volt socket inside) storage space beneath the seat, and a handy top box which comes as a standard fitment and can be quickly removed when you don't need it. A bag hook

at the front combines with a flat floor for maximum carrying capacity, while a neat cubby hole at the front will hold sunglasses, documents, a city pocket map etc.

The LIKE boasts front and rear disc brakes, twin shocks at the rear and telescopic forks which help to provide a comfortable ride. Ideal for big city streets with nightmare traffic thanks to its small dimensions and outstanding agility, it will also happily whiz down the motorways, the wide fairing shielding you from the elements, and the 12-inch alloy wheels and decent wheelbase keeping things stable.

The instrument panel tells you how many miles you've covered and how much fuel you have and there's also a handy digital clock. Additional features include an electric and kick-start, automatic choke, steering lock, and centre and side stands.

**2 -Year Warranty PLUS Fantastic Insurance Offer**

The LIKE 50 comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
