The Perfect Entry Level Scooter

At just £1049, the 50cc Agility 50 scooter has plenty to offer if you are looking for a well made, fuel efficient scooter at an affordable price. To further enhance stability, comfort and safety, this scooter has a streamlined long wheel base body and a light-net weight of just 92kg making it easy to manouver and park.

Sporty looks, angular lines and ultra-modern matt and gloss paintwork in two-tone black combined with 12" painted alloy wheels give this scooter a modern feel.

Fuel Efficient and Environmentally Friendly

The Agility 50 is powered by the latest generation of 4 stroke air-cooled engines, which ultimately makes it highly fuel-efficient scooter, capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions.

Great For the City and a Comfortable Ride

The Agility 50 has a low seating position at 785mm in

height, ensuring the rider can easily place their feet on the ground and making it ideal for both male and female riders. Pillions are well catered for, with pop-out alloy foot pegs and a grab rail, so you can share your journey with a friend if the mood takes you. No pillion? The pillion seat converts into a backrest for an ultra comfortable ride.

Other features include: powerful front disc and rear drum brakes, electric and kick-start, automatic choke, lockable under seat storage box for helmet, shopping or waterproofs, steering lock, rear carrier, centre and side stands.

2-Year Warranty PLUS Fantastic Insurance Offer

The Agility 50 comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
