Perfect Learner or Commuter Companion

The striking, yet sophisticated Yager GT 125 has plenty of power in its smooth, 125cc liquid cooled, 4 stroke OHC engine. With a top speed of 70mph it is more than capable of swiftly manoeuvring around a congested town or city.

Light weight and nimble, this scooter has plenty to offer if you are looking for a well made, fuel efficient scooter at an affordable price. Rider comfort is also assured due to the sculpted seat, powerful brakes, adjustable rear suspension, 14" alloy wheels and telescopic front forks to provide a stable and very smooth ride. There is little wonder this scooter is one of the most popular scooters in Italy.

Fuel-efficient and Environmentally Friendly

The Yager GT 125 is powered by the latest generation of 4 stroke air-cooled engines, which ultimately makes it highly fuel-efficient scooter, capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions.

Great for the City and a Comfortable Ride

The Yager GT 125 has a low seating position at 795mm in height, ensuring the rider can easily place their feet on the

ground and making it ideal for both male and female riders. Pillions are well catered for, with their own backrest, pop-out alloy foot pegs and a grab rail, so you can share your journey with a friend if the mood takes you.

This fantastic motorbike boasts a funky halogen headlight, LED indicators and a high-tech digital dashboard. Plus a host of other features including powerful front disc and rear drum brakes, lockable under seat storage box, automatic choke, electric & kick-start, rear carrier, pillion backrest and high-strength steering lock.

2 -Year Warranty PLUS Fantastic Insurance Offer

The Yager GT 125 comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
