## OVERVIEW

SUGGESTED RETAIL PRICE **£1799**

### Top of its Class

With flashy sports motorbike styling, deep shiny paintwork and good looking graphics this fantastic scooter makes a bold and impressive statement. It is perfect for city traffic and more than capable of delivering an exhilarating ride on the open road.

Importantly the Super 8 is both light and very agile, which makes it great fun to ride. With a top speed of 65mph it is more than capable of swiftly manoeuvring around a congested town or city. This scooter has plenty to offer if you are looking for a well made, fuel efficient scooter at an affordable price.

### Fuel-efficient and Environmentally Friendly

The Super 8 is powered by the latest generation of 4 stroke air-cooled engines, which ultimately makes it highly fuel-efficient scooter, capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions.

### Perfect Learner and Commuter Companion

More than capable of swiftly moving around a congested town or city, the Super 8 125 boasts 14" six-spoke alloy wheels and a racy streamlined long wheel base body, to further enhance stability, comfort and safety.

The low seating position at 785mm in height ensures the rider can easily place their feet on the ground making it ideal for both male and female riders. Pillions are well catered for, with pop-out alloy foot pegs and a grab rail, so you can share your journey with a friend if the mood takes you.

Other features include: powerful front disc and rear drum brakes, electric and kick-start, automatic choke, lockable under seat storage box for helmet, shopping or waterproofs, steering lock, rear carrier, centre and side stands

### 2 -Year Warranty PLUS Fantastic Insurance Offer

The SUPER 8 125 comes with a 2-year unlimited mileage manufacturer's warranty.

Kymco are running a fantastic insurance offer from only £49 on selected models.
